ON・OFF Switch Girl!! 6

Aida Natsume

Transcendence

SUMMARY

Tamiya Nika and Kamiyama Arata both have an outer (ON Mode) and a private (OFF Mode) image, and they can freely switch between these two very different styles, also known as Switch Girl & Boy.

The new art teacher, Someya, was able to influence the teachers in school due to his father being a powerful figure. The new school rules are actually set by Someya! Someya proposed to Arata two conditions to get rid of the stringent school rules —The whole class must improve by an average of at least ten marks in the final exams, and he must defeat the "Someya and Nika" pair in the Best Couple Competition .

Before the competition, Nika saw an unexpected side to Someya, and because she had let her guard down, Someya took the chance and kissed Nika. Although Arata witnessed everything, he didn't say a word and avoided Nika purposely. Both of them then awaited for the competition with this awkward atmosphere.

It turned out to be that Someya was once betrayed by his girlfriend and his classmates and was hurt deeply. Nika wants to help him forget his past and regain Arata's trust, and she is resolved to fight this decisive battle...!

It's finally the last stage! The test for this stage is called "Confession Time!"

Everyone will take turns expressing their love to their partner on stage, and the pair that receives the most cheers from the audience will win the competition!

The first to go on the stage will be Contestant Monkey Boss!

小聲

I'M COUNTING ON YOU.

SFX: WHISPER

...?

JUST WHAT...

DID SO-MEYA SAY TO MONKEY BOSS?

USE YOUR SPECTACULAR CONFESSION TO WIN!

MONKEY BOSS, IT'S ALL UP TO YOU!

IT DOESN'T MATTER!

...

GULP

TAMIYA...

SORRY, I CAN'T KEEP OUR ARRANGEMENT ANYMORE...

BECAUSE... SOMEYA-SAMA IS IRREPLACEABLE...

Everyone,
I'm sorry...

I actually have no interest in Kamiyama Arata at all.

EH...?

SFX: CHATTER

So... there's... nothing I can confess about here...

Monkey Boss!

MONKEY BOSS! WHAT ARE YOU SAYING?!

Eh? What?

Is that a disqualification?

SFX: CHATTER CHATTER

?!

SPX GLANCE

Didn't we agree on the arrangement already?

Why did you say that?!

AH!

I don't know...

DURING BREAK TIME, MONKEY BOSS WENT TO LOOK FOR SOMEYA...

He disappeared once break started.

WHEN BREAK WAS OVER, THEY APPEARED TOGETHER...

SOMEYA...

...

Eh... something unexpected actually happened! but...

Next up, Contestant Tamiya, please go up the stage!

WHAT DID YOU DO TO MONKEY BOSS?

Con-testant Tamiya?

WHY?

Whisper

I MERE-LY USED HER A LITTLE.

SHE SEEMS INTER-ESTED IN ME,

OH... HER?

YOU IDIOT!

YOU ARE...

THE WORST!

SFX: SLAPS

I'm not angry about that!

I WAS MERELY A STEP AHEAD OF YOU. THERE'S NO NEED TO BE SO ANGRY

WHY?

JUST BE-CAUSE YOU WERE ONCE HURT

DOES NOT GIVE YOU THE RIGHT TO LET OTHERS SUFFER THE SAME PAIN.

THAT'S WHAT MAKES ME ANGRY!

YOU ACTUALLY USED...

MON-KEY BOSS' FEELINGS AS YOU PLEA-SED...

IS THERE A POINT TO THIS?

TAKING REVENGE AGA NST TH S SCHOOL.

WILL YOU BE HAPPY BY DO NG THIS?

WHAT DO YOU KNOW?

...

Milk
bottle.

The
same as
a milk
bottle.

SFX: CHATTER CHATTER

ガヤ

WHAT'S

THE MEANING OF THIS?

ガヤ

ガヤ

..?

AH?

That kind of kiss.

I feel absolutely nothing!

Your mouth...

is the same as touching a milk bottle when drinking milk.

That kiss made when you took advantage of the situation.

Definitely not!

Our relation-ship will not be destroyed by that!

You once questioned...

"Do you think that no matter what you do, you just have to work hard, and you will succeed?"

NIKA!

..As long as you try your best, nothing is impossible...

I DO think so!

No matter now.

or in the future..

There's nothing that you can't let each other understand...

I will always believe so!

Silence

...!

MY HEART WILL NEVER CHANGE!

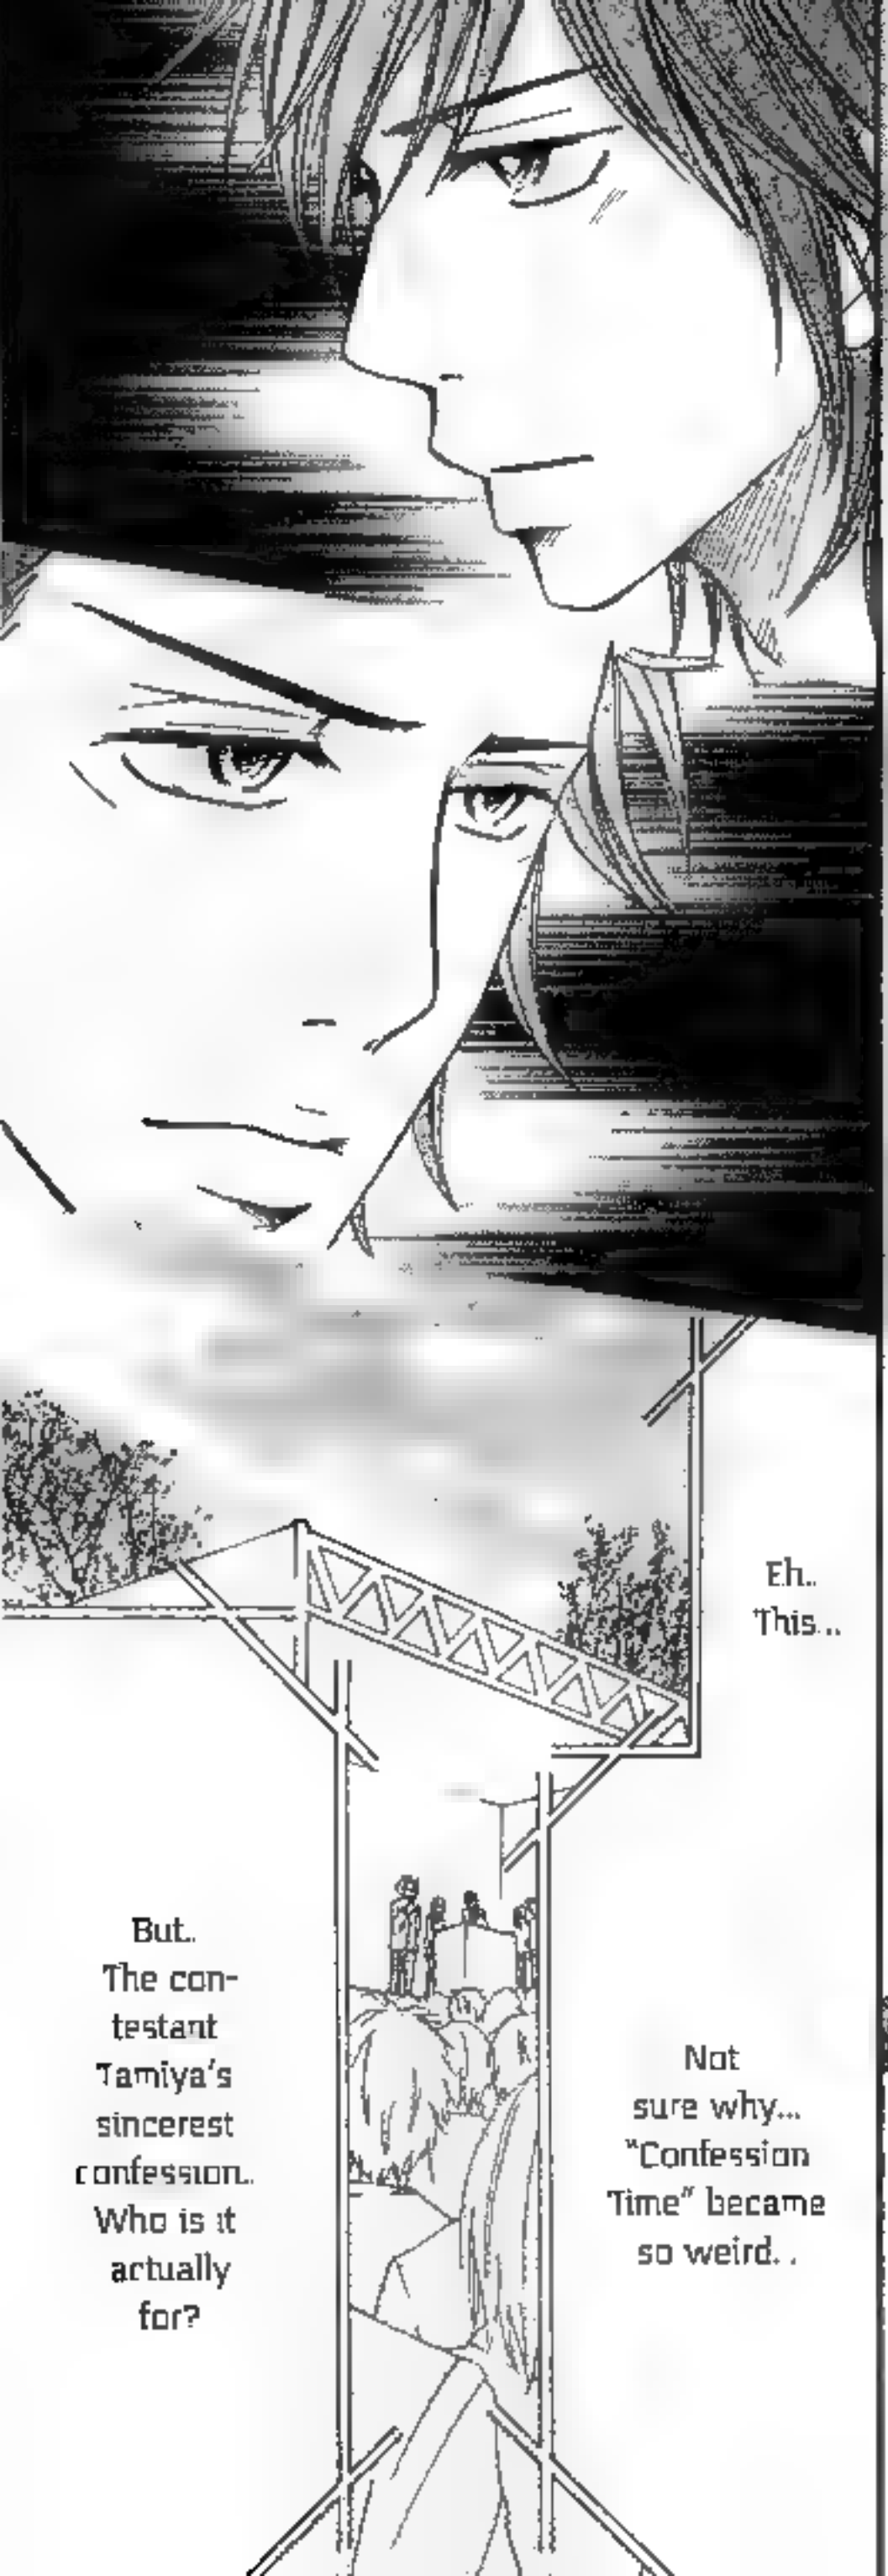

IT WILL ALWAYS BE.

STRONG.

AND IT WILL NEVER WAVER..

OR SOME OTHER GUY, THEY'LL NEVER BE ABLE TO DESTROY...

NO MATTER IF IT'S SO-MEYA.

But..
The con-
testant
Tamiya's
sincerest
confession..
Who is it
actually
for?
Eh..
This...
Not
sure why...
"Confession
Time" became
so weird..

SO..
SO..

MILK BOTTLE EH ..

Chuckle

Eh.. Then.. Next up is contestant Kamiyama!

Swipe

Swipe

I know clearly what happened between you and Someya..

..But Even I, myself, am surprised...

It can only be labeled as an accident. You're completely right.

To think of it, I have this feeling too ..

ARATA

To be honest...

YOU'RE ALWAYS LIKE THAT

I don't want any other guys to touch you.

I... seem to, even more..

*Than I thought..

ARATA...

*It was! I'd rephrase this because usually in English, we should have already said it at the three golden words first (I love you) in a sentence "I seem to love you even more than I think" BUT THE GOLDEN WORDS ONLY APPEAR AFTER THAT FOR THE DRAMATIC EFFECT!

WHAT?

CHATTER

WHAT'S NEXT?

ARATA?

Eh..

HEY...

Kamiyama! What are you hesitating for?!

THAT..

Hurry! let me see clearly!

That your relationship will not be severed by someone like me!

You haven't finished what you really want to say, right?

SOMEYA

I
LOVE
YOU.

Wobble

AH...

OMGOMG *Anticipates for the moment*

There's no doubt! The Kamiyama and Tamiya pair is the winner!

AND I WAS ABLE TO GET IN BY PULLING STRINGS

THE POSITION FOR THE ART TEACHER WAS VACANT BECAUSE OF THE SEXUAL HARASSMENT CASE,

ARE YOU GOING TO RESIGN?

YOU GUYS

FIVE YEARS AGO, WHY DID YOU TRANSFER TO ANOTHER SCHOOL?

WHY DIDN'T YOU TRY YOUR BEST UNTIL THE END TO LET EVERYONE UNDERSTAND YOU..

YOU GUYS ARE RIGHT.

BECAUSE I WAS ONCE BETRAYED,

I REALIZE.. THAT MY FATHER CHANGED THE SCHOOL RULES BECAUSE HE WANTED MY GIRLFRIEND AND I TO BREAK UP.

I FELT VERY TIRED

SO I GAVE UP ON MYSELF

I RESENTED IT VERY MUCH BUT,

I WANTED TO GET MY REVENGE BY MESSING UP THIS SCHOOL

SOMEYA

MAYBE, I WON'T MEET WITH BETRAYALS LIKE THIS ANY-MORE..

INSTEAD OF CONTINUING TO RESIST, WHY NOT JUST USE MY FATHER'S POWER?

SOMEYA...

LIFE HAS BE-COME WITH-OUT EMO-TION..

BUT...

ALT-HOUGH NO ONE BETRAYS ME ANY-MORE,

Someya-chi—

Where's Someya-sensei?

I DON'T KNOW...

WHY ARE WE HIDING?

EH?

BUT..

IT DOESN'T MATTER..

AFTERWORD

Don't kiss twice consecutively———— How intimate, right? How loving, right? But is it a little too much for two high school students to kiss twice in the same chapter? I, the author, from when I started on this piece of work until now, have never kissed before!

"DAN DAN DAN!?" Sound of stomping the floor furiously ...I m not happy, I want to curse you both. Author's most powerful move: Bad-Luck-With-Men-Curse...!

Mwahahahaha...(Eh? This seems to have no meaning for Arata?) Anyway, Volume 6 is up for sale now, This calls for a celebration?

Thank you everyone for reading this Manga...

I SAW YAMAPI* WITH MY OWN EYES!

Good things that happened recently May 2008

Seventeen had their 40th Anniversary party, and I was invited. I went there with the editor in charge. There were a lot of artists who went up on stage to offer congratulations. I was already very excited by that. And then I saw. YAMAPI——!

..Because I was so happy, I actualy left my buffet plates at one corner. I pushed through the crowd, and squeezed to the spot right in front of the stage and stared 👁, perspiring everywhere, and I felt as though my life was extended because of this.

At about a 3 meters distance.
Too beautiful to be drawn properly.

IT HURTS, SO I TOOK SMALL STEPS, THEN MY SHOES ENDED UP RUBBING AGAINST MY FOOT!

SO I PLUCKED THEM AWAY, BUT THIS MORNING IT BECAME RED AND SWOLLEN!

[Using the toilet with the door open]

Reference to Chapter 34

Has everyone heard of the term "Circulation"?
It refers to the route where people can move freely within a building. But basically, I don't treat "Closing the toilet door" as part of the circulation.. Simply because I find it a hassle. Although it's not to the point where the door is widely open, but to me, an opening of about 2cm is very normal. My parents will scold me, and ask me to close the door, but when nobody's at home.. Leaving it open doesn't matter..

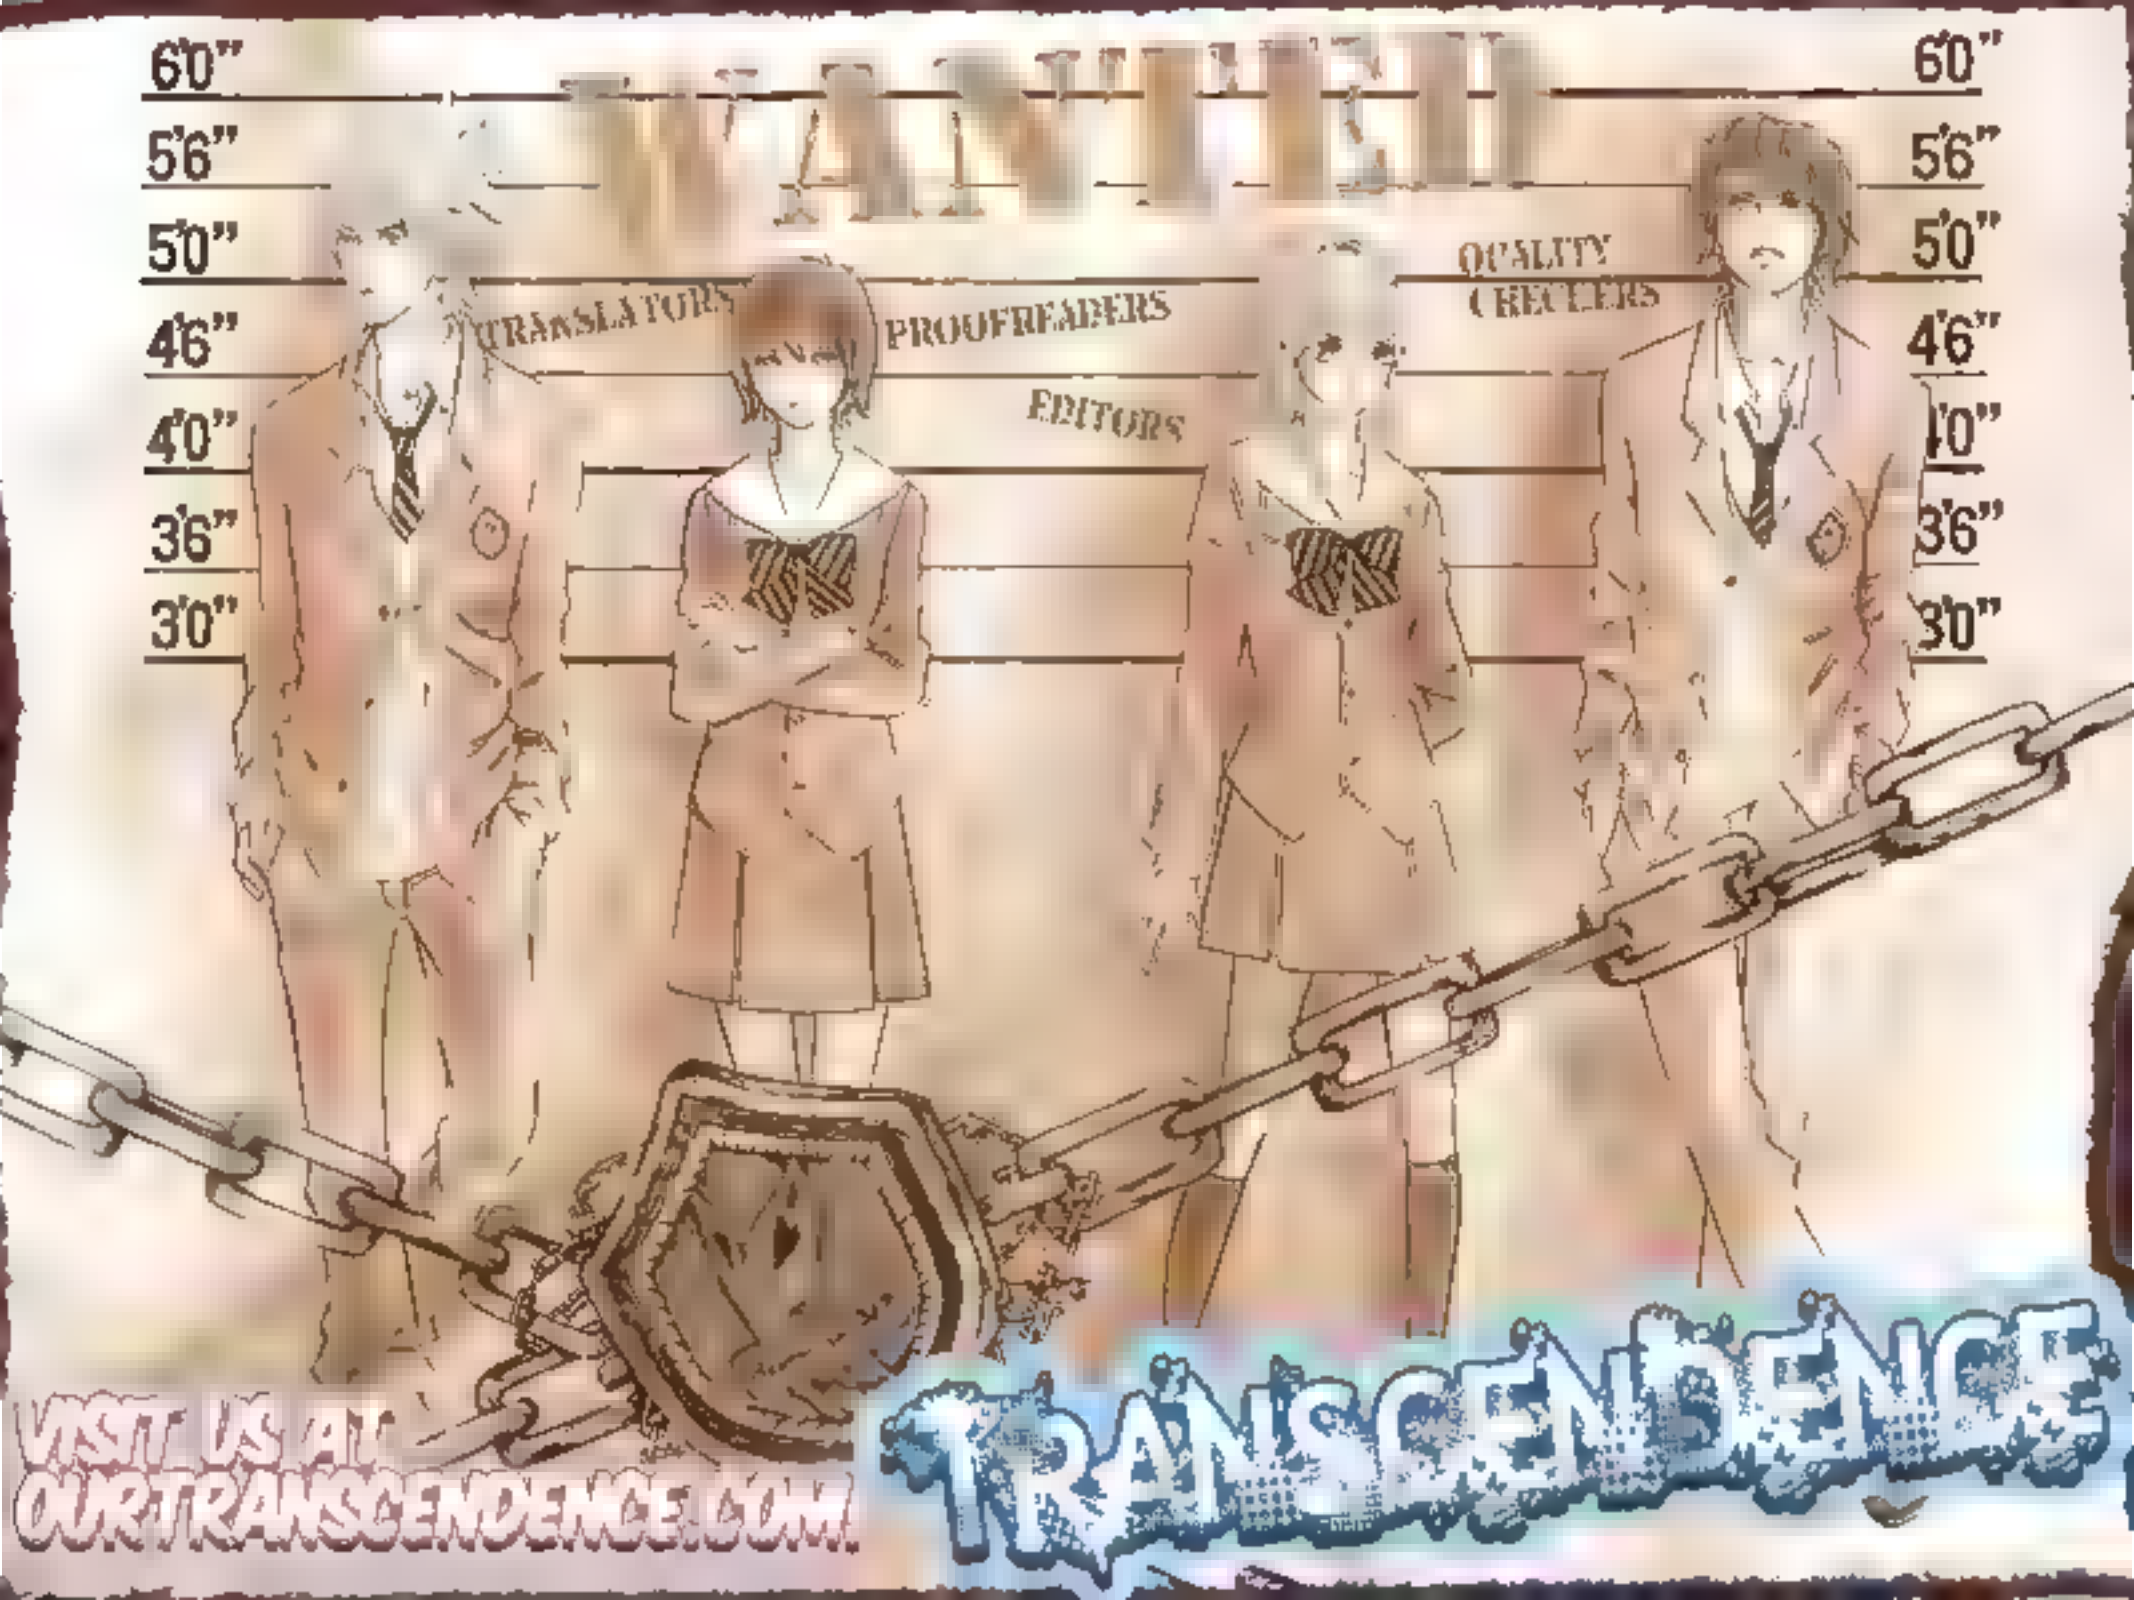

[Check thoroughly when shopping, only buy the item with the newest expiry date]

Reference to Chapter 34

During my younger days when I'd go with my mother to buy things, she will take milk bottles up one by one to examine. Initially I didn't know why, only after that did I know that it was to look for the one with the newest expiry date. Generally housewives would do the same, but the more important thing to note is that recently, supermarkets have noticed this behavior, so they would arrange the items in the opposite way, putting the ones expiring sooner in front, and the newest goods at the back of the shelf. It's always been the newer ones in front, older ones at the back... I guess this counts as a battle of wits between the consumers and suppliers.

WHILE PURCHASING AN ITEM, SCAN THROUGH THOROUGHLY AND ONLY BUY THE ONE WHICH HAS THE LONGEST EXPIRATION DATE (GOOD! THIS IS THE NEWEST

Ribbon + tulle makes the legs itchy too.

(Took out the elastic band)

Recently they're being bought from Nissen. Eh? Not asking the author? Well, in the past when I bought pajamas, I preferred the cute chiffon gowns, or soft and pretty short gowns. Of course I'd also wear them as home clothes. But after wearing them, I found out that these clothes don't really suit everyday life. For example, when eating or washing your face, it's really easy to dirty the lace on the sleeves. It gets in the way, so in the end I modified my clothes so that they are easier to wear

Ceremony before entering the bathtub

Before entering the bathtub...

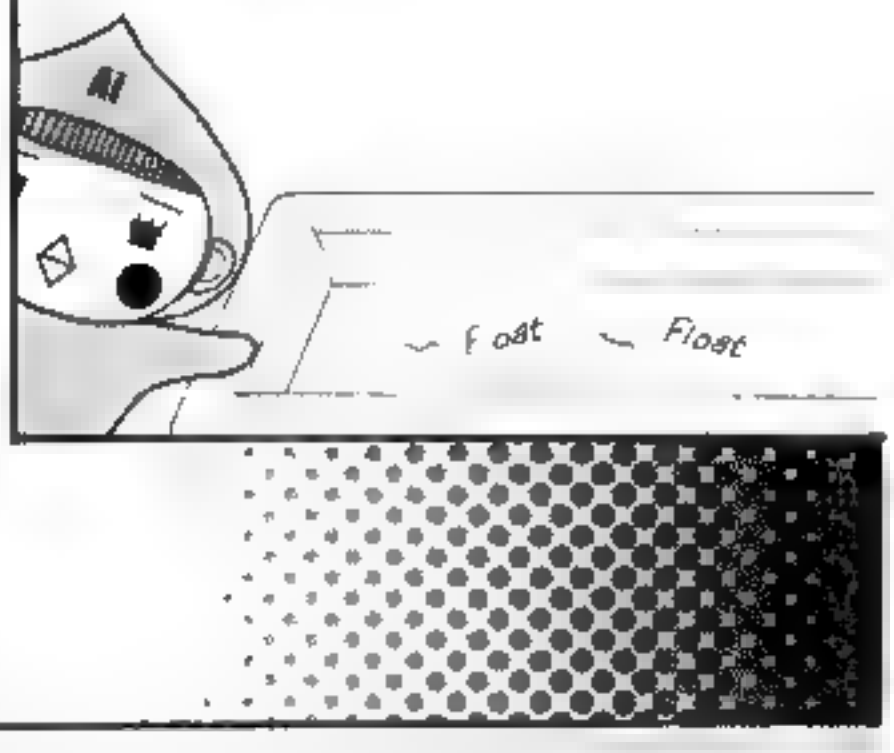

Ah. And

also when washing that part, try grabbing the hair and pulling them out.

After soaking in the bathtub, do you find a few strands of hair from the lower part of your body floating in the water?

If yes, it shows that you haven't done the ceremony before entering the bathtub.

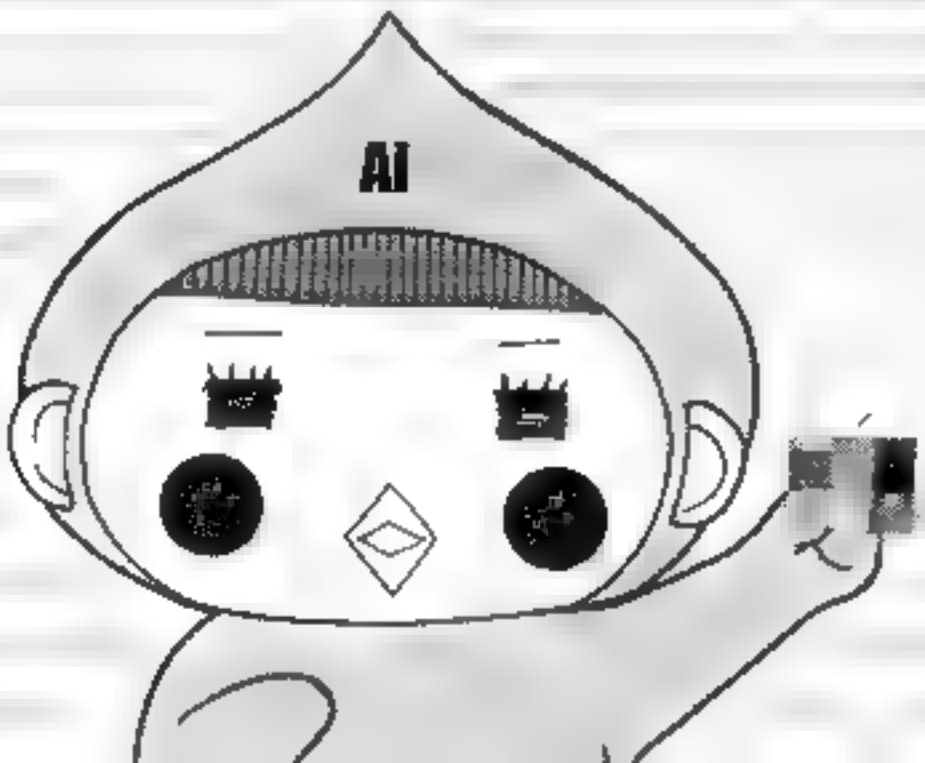

The hair at that part will fall out with the roots just like the hair on your head.

According to the data from Aida Research Institute, about ten to twenty strands will drop in one day.

Pull out hair which are about to drop anytime, and don't need to worry that hair strands will float up while you soak and embarrass you.

EXCELLENT!
END OF CEREMONY!

This way, no matter in what situation, there won't be any more falling out

【 Walking around nude at home 】

Reference to chapter 34

Previously I briefly touched on this. If there is a place especially for your pajamas in your bathroom, then it must be very convenient. But I don't have that in my house, so every time before a shower, I have to prepare my pajamas first. The lazy me naturally won't waste time doing this sort of thing, so normally after I finish bathing, while I dry my hair with a towel and only wearing panties, I will walk all around the house to find my pajamas. When my dad is at home, I will reluctantly wrap myself with a bath towel, not because I'm shy, but because my dad will get angry. What's there to be shy about?

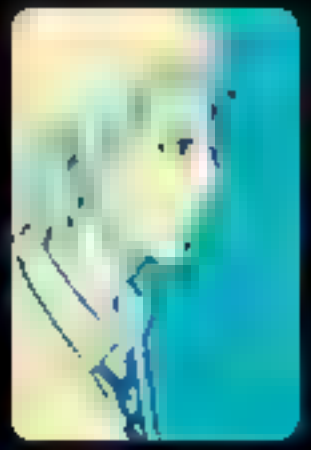

【 Western blouse that is easy to take off 】

This is not only for western clothing. clothes are basically divided into two categories: easy to take off and hard to take off. One of my nightmares is trying on western clothes, and then not being able to take it off myself. (Barely squeezing into a small sized blouse, then not being able to take it off in the end because it's too tight.) Clothes that is hard to take off like this must not be worn on a date with your boyfriend. If not, when you are taking it off, your hands would have to be completely raised up, and the expression on your face naturally won't be nice as well. Once your boyfriend sees that scene, it will spoil things between you two. So, when you go on a date with your boyfriend wearing a western outfit, it's still best to choose one that is easy to take off.

【 Hairs that keep coming out! 】 Chapter 34

I don't know how many girls remove ther bikini hair compared to all those who takes care of the armpits and legs, but sexy underwear dont hide much,
so hairs are always sticking out from both sides
Usually, I'm satisfied with just pushing them under the panties (picture 1)
But during a date, this technique isn't efficient So, if you're wearing cute panties, remove everything!!

(Picture 1)

Sometimes some hair pokes through the cloth, to say "Hello!" (picture 2) when I find one, it makes me think of baby shoots in spring, searching for sunlight
And it makes me remember that even hairs are alive!!

【 The tissues road 】 Chapter 34

At my parents, in Tamachi, there are tissue roads in front of the station and in the boulevards, in a lot of different places I only need to do my shopping on foot to easily get at least a dozen of them. If I try a bit, I can even get around twenty of them..or even thirty. However, it only works for young women. They aim for girls who might work in nightclubs or credit places. Im beginning to be casted off from this category, and its getting worse..

【 Is Arata too introverted? 】 Chapter 35

Arata who fills the bath without Nikas notice.. Is he really that reserved? I slipped in some other examples in the series. Arata is still a man! Hes got the right to be openly interested in sex! About that, when I talk about this with my assistant we always end up agreeing that he has got to be skilled in bed, but hes usually discreet. I hope his fans wont decrease, because I wrote that.. well, I think that blunt words are one of this mangas characteristic, so I hope youll like Arata, even with his.. nocturne side

[CEREMONY BEFORE ENTERING THE BATHTUB]

REFERENCE TO CHAPTER 35

I talked about this topic with a good friend during a sleepover The main theme was "Something that you would do privately, but feel very embarrassed about and are afraid to tell others." And I talked about this "Pulling" action. Why do we need to pull them out? The reason was stated in the story. Actualy besides that, there is another method. During a bath, I will occasionally pull too. I don't know if it's because of the water pressure or the influence of gravity, but the amount you pull out is much more inside the bathtub than outside the bathtub. I will soak in the bathtub, and think a little childishly "Today, I will get out when I've pulled out ten strands" After setting this kind of inexplicable rule, I will start to pull with all my concentration and focus. But often after pulling out 9 strands, I will just so happen to pull out two more strands on the next grab. And I'll think again, eleven is not a perfect enough number, might as well pull out twenty before I get out of the bathtub. This is really endless...
Talking about it really is pretty embarrassing. This time in Japan, after Margaret* was published, my friends and people from the editing department told me that "Actualy, I do this too!" I'm also quite surprised. I think this can be a future reference for all the elementary student readers. Here and now, I will name all who do this action as "Mushira" Mushira in all of Japan, I'm looking forward to everyone's replies.

"May I know which character is the easiest to draw?" (Tokyo, N-san)

Question from Readers

Ah—

Of course it's Satou and Katou. this partner pair Not only are they are easy to draw, their character details are also easi y drawn. Something worth mentioning is that Katou (The one with wavy hair) actually has almost the exact same ha rstyle as Meika but no one ever mixes them up and why is this? It s because whenever Katou appears, it's hundred percent sure that Satou w[illegible] also appear Their standing posit ons are also naturally formed with Satou standing on the right and Katou standing on the left Satou talks more, and from a manga s point of view. Satou, who is talking will of course be drawn on the right By the way. the character that I am most happy drawing is Four-eyes. No matter how serious the situation s, as long as he appears the atmosphere will become much ighter

Afterword

The Shuu Tei arc has begun. Actually, I've wanted to draw undercover plots for a long time, so as the author, this part is something I quite like. Although this arc is a little longer than usual, I still hope that everyone will like it.
Expect the next volume to include a forty page side story as well as the main story

It'll be about Nika during her secondary school days, her "First Date",

Four-eyes falling in love with Arata, in "Four-eyes THE STORY",

as well as Arata and Masamune actually becoming hosts!
A parallel world and comical story, "The Dark Lord".

Do look forward to it!

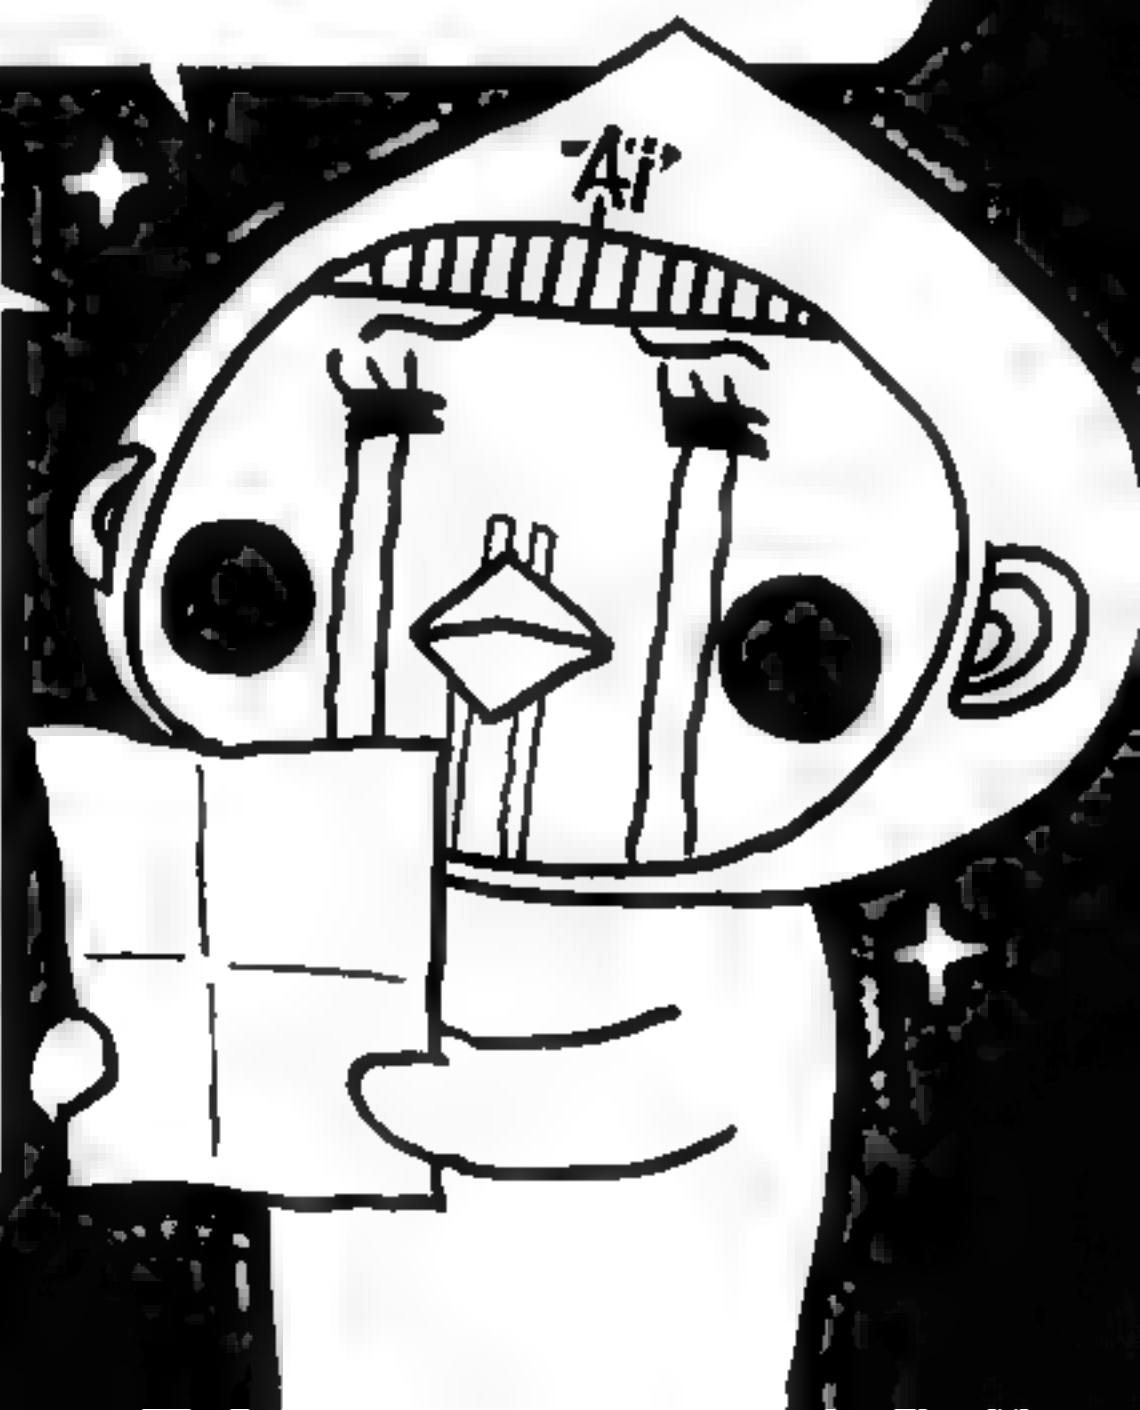

Aida Natsumi

Right now, it's the busiest period of my life since my debut. My work schedule is very very tight. (Frequently increasing the pages of the series, and drawing short stories as well... It'll be the death of me!) So I'm really at my limits.
The only oasis for me is the support and letters from all of you! I always say this, but I really do think so every time.
Every time I read, I will be moved to tears (It's true). I really thank everyone for your support!
Thank you!
I hope that everyone will tell me their thoughts~ ♪
